Chorus

This has been a good year for the chorus under the instruction of Mrs. McKay.

At right and below are scenes from the club's "Happening", a fund-raising production held in February.

The French Club was formed shortly after the school year started. Elected officers were: Pres.-Oran Long, Vice Pres.-Pete Capshaw, Sec.-Jane Powell, Treas.-Virginia Lott, Rep. and Publicity Chmn.-William Thompson, Parliamentarian-Steve Daniels.

It was decided that the club's major project this year would be one of two things: (a) to initiate a scholarship trust fund for a deserving foreign language student to Chipola Jr. College, or (b) to purchase large revolving fans for the classrooms. Although the club is new, there is much enthusiasm and a sincere desire to participate in activities which will not only foster interest in foreign language study, but enrich Cottondale High School as well. The club was members from nine through twelve, and is open to any French student who is interested and who maintains a "c" average in their language study.

The French Club's sponsor is Mrs. Stephens, who has helped the club continuously through the year.
